USING THE TIME TABLES

1. Determine the route and direction you wish to travel (i.e. northbound) and select the route timetable that corresponds with that direction. Check the route map for the numbered time point closest to where you want to board the bus. If you will be boarding at a bus stop between two time points, use the earlier time point as a guide.

2. Locate the time point number and follow down the column to the time that you want to travel.

3. Be sure to allow enough time to transfer from one route to another, if necessary.

CÓMO USAR LOS HORARIOS

1. Determine la ruta y la dirección de su viaje (p. ej. en dirección norte), y seleccione el horario de la ruta que corresponda a esa dirección. Consulte el mapa de la ruta para encontrar el punto horario numerado más cercano al lugar donde desea tomar el autobús. Si tomará el autobús en una parada que se encuentra entre dos puntos horarios, use el punto horario más temprano como referencia.

2. Ubique el número del punto horario y siga la columna hacia abajo hasta el horario en el que desea viajar.

3. Asegúrese de tener suficiente tiempo para hacer un transbordo de una ruta a otra, si es necesario.
